

Iphone WIPE/ RESET INSTRUCTIONS

How to Wipe Email

1. Select Settings
2. Select Email Contacts Calendars
3. Open your Exchange email account
4. Select Delete Account
5. Select Delete Account again.

You should now be on the screen to select Add Account, or you can press the Home button and follow the instructions below.

How to Add Exchange Email on IPHONE Devices

1. Select Settings
2. Select Mail, Contacts Calendars
3. Select Add Account
4. Select Microsoft Exchange
5. Enter your Email Address, User name, Password

Example:

Email: Firstname.Lastname@Nebraska.gov

User Name: Firstname.Lastname@Nebraska.gov

You have to add @nebraska.gov to your user name for sync to work

Password:

Domain: stn

Server: The Exchange Server name is configured automatically on Iphones, so leave it blank.

If this does not configure automatically, enter mobile.nebraska.gov.
