

Instructions for the Motorola Android Devices

Select Menu > Settings > Accounts

Open your Corporate Sync Account

Choose Remove Account

You will get a Remove Account message asking if you are sure

Select Yes

Wait until you see Add Account at the bottom of the display and follow the below instructions to add your account back on your mobile device.

Select Add Account

Select Corporate Sync

Check I agree to Motorola Terms of Service and remove check in front of I agree to Help Motorola improve service quality.

Select Next, in the bottom right

Enter your email address (firstname.lastname@nebraska.gov)

Enter your email password, very case sensitive

Enter domain ([stn](#))

Domain may be shown within your user name or have a field of its own.

(Ex: [stn/firstname.lastname@nebraska.gov](#))

Enter User Name: (Ex. [firstname.lastname@nebraska.gov](#))

Select MENU > Select Set Up Manually

Enter server name (mobile.nebraska.gov) Press NEXT

At this time, if your information was entered correctly, your device should sync with email, contacts and calendar.
